Against
Committee to Elect Ronald Kim
-----X

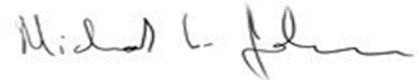

WHEREAS, on or about January 4, 2023, the New York State Board of Elections Division of Election Law Enforcement (DELE) received an email complaint regarding Filer Id – 186027 Committee to Elect Ronald Kim. The complaint alleged that the committee had failed to file campaign financial disclosure statements for the 2022 Election year. A failure to file required campaign financial disclosure statements violates New York State Election Law § 14-108; and

WHEREAS, a review of New York State Board of Elections (NYSBOE) records confirmed that the committee’s 2022 January Periodic Report was filed on January 18, 2022, yet no additional campaign financial disclosure statements for the 2022 Election year had been filed. The DELE contacted the treasurer of record regarding the missing campaign financial disclosure statements. The treasurer contacted the NYSBOE Compliance Unit for assistance with the NYSBOE Electronic Filing System (EFS); and

WHEREAS, on January 13, 2023, the DELE confirmed that the Committee to Elect Ronald Kim’s 2022 July Periodic Report was filed in EFS. The committee has submitted all required filings for the 2022 Election year; and

NOW, THEREFORE, based on the foregoing, this matter is closed with no further enforcement action.
